SUMMARY

Recent graduate with a Bachelor's degree in Software Engineering from Bolton University, equipped with foundational knowledge in software development principles, modern programming languages, and agile methodologies. Engaged in hands-on projects and collaborative team exercises throughout academic career, demonstrating exceptional problem-solving skills, meticulous attention to detail, and swift adaptability to new technologies. Passionate about innovation and dedicated to developing user-centric solutions, poised to contribute significantly to dynamic software development teams.

TEHNIICAL SKILLS

- **Programming Languages:** Proficient in Java, JavaScript, TypeScript with practical experience in Python, C#, C++.
- **Frameworks & Libraries:** Skilled in developing applications using:
 - **Spring Boot** for robust backend services.
 - **Express** for creating efficient and scalable RESTful APIs.
 - **React** for building responsive and dynamic user interfaces.
- **Development Tools & Environments:** Experienced with Visual Studio Code, IntelliJ, Git, and comfortable working in Windows, macOS.
- **Database Management:** Knowledgeable in database design and management using MySQL and MongoDB.
- **Software Testing:** Competent in various testing methodologies, including unit testing and APIs testing, using tools like JUnit, Postman.
- **Agile Methodologies:** Familiar with agile development practices and tools for project management and collaboration, such as JIRA.

EDUCATION & QUALIFICATIONS

University of Bolton

BSc (Hons) Software Engineering

September 2020 to June 2024

Relevant Modules: Data Structures and Algorithms (75%), Advanced Programming (71%), Agile Programming (77%), Computer Systems (76%), Computing Infrastructure (73.21%)

WORK EXPERIENCE

Supervisor, Greggs, Wimbledon | February 2023 - Present

- Supervise daily operations, ensuring the store meets and exceeds operational and hygiene standards.
- Coordinate with management on the planning and execution of promotional events, increasing foot traffic and sales.
